

Ahtanum

USA

Elderflower
Tea
Jasmine
Apple blossom
Geranium

Ahtanum is a cultivar named after the district in which it is grown. Ahtanum was bred in the Ahtanum Creek Valley in Yakima County in Washington by Yakima Chief Ranches. 75 % of all hop varieties in the USA come from this region.

Analytical values

Type	Aroma
Growing Area	USA
Lineage	Open pollination
α -acids*	5.7 - 6.3 %
β -acids	5.0 - 6.5 %
Total Polyphenols	No data
Total oils	0.8 - 1.2 ml/100g
Myrcene	50.0 - 55.0 % of total
Linalool	No data

The analytical values are typical for the variety at the time of harvest, but may vary according to crop year, growing region, grower and degree of ageing.

*The alpha content is determined by means of spectrophotometric analyses.
