

Palisade

USA

Orange
Apricot
Passion fruit
Honey
Yoghurt

Palisade was named after an important instrument used in hop growing. This pointed wooden stake served as an indispensable climbing support for the hop plant. Palisade was bred by Yakima Chief Ranches as dual purpose variety.

Analytical values

Type	Aroma
Growing Area	USA
Lineage	Open pollination
α -acids*	5.5 - 9.5 %
β -acids	6.0 - 8.0 %
Total Polyphenols	No data
Total oils	1.4 - 1.6 ml/100g
Myrcene	9.0 - 10.0 % of total
Linalool	No data

The analytical values are typical for the variety at the time of harvest, but may vary according to crop year, growing region, grower and degree of ageing.

*The alpha content is determined by means of spectrophotometric analyses.
