

# HOP FLAVOURIST COURSE

//////////////////// LEVEL 1 – THE CONNAISSEUR //////////////////////

The aim of this course is to teach you the language of hops and how you can describe the different hop flavours that you find in hops and in beer. We will train your sensory memory and expand it with all there is to know about hop flavour.

This course is divided in different levels allowing you to decide how deep you want to dive into describing and identifying hop flavours and hop varieties.

**Register now for our HOP FLAVOURIST COURSE Level 1 – The Connaisseur**
